

Sports Premium Grant Expenditure Report and Action Plan 2020-21

Physical Education and Sport at St Mary's CE Primary School

We believe that P.E. is an integral part of the curriculum, allowing children to experience various sporting activities and competing at different levels and abilities both in and outside school. All pupils have at least two hours plus P.E. per week, at least one of which is taught by a specialist PE Teacher. We encourage all children to participate in all lessons and events and offer a varied range of activities to suit all abilities. St Mary's offers a large number of after school sporting activities which are open to all children and our sports teams have had success at a local and Pan London level. We promote a healthy and active lifestyle throughout the school and encourage our children to be active wherever possible, creating links with local sports clubs whilst providing a broad extra-curricular timetable of sport and physical activity.

In 2016 we were awarded the Bronze Sports Mark

In 2017 we were awarded the Silver Sports Mark

2018 (Sep) New PE lead appointed.

In 2020 we are aiming to achieve the Gold Sports Mark (Cancelled due to Covid)

Early Years - PE is a very important part of learning and children become more confident using gross motor skills. By the end of their time in Reception class, they will have good control and co-ordination in large and small movements. They move confidently in a range of ways, safely negotiating space. Children will be able to use various pieces of apparatus. Pupils have 1 taught PE lesson inside focusing on dance or gymnastics. Pupils have continual access to large climbing equipment, bikes scooters, balls, and large building blocks.

KS1 - We encourage and motivate all children to participate during the sessions and we offer a broad curriculum to enable all children to feel motivated and comfortable in all areas of P.E. These including dance, gymnastics, ball skills and a continuation focus on coordination and teamwork. All pupils are assessed regularly.

KS2 - KS2 pupils follow an annual cycle which ensures they have 1 hour of dance or gymnastics and 1 hour of field sports or swimming. Swimming is taught to pupils

in Year 6 at Park Road Centre and children receive swimming awards depending on their progress during these lessons. KS2 pupils have wider opportunities to attend competitive events and tournaments outside school. The school has a very good relationship with local secondary schools and the Haringey Sports Partnership who provide us with an events calendar and access to competitions.

Our Objective for the Sports Premium Grant

St Mary's has been awarded **£20,090 for 2020-2021** via the PE and Sports Grant, to fund improvements to the provision of PE and sport, for the benefit of pupils aged 5-11 years old, so that all pupils develop healthy lifestyles.

We will use the funding to make additional and sustainable improvements to the quality of PE and sport we offer and to make improvements now that will benefit pupils joining the school in future years.

Below you can see evidence of the impact of the PE and Sports Premium grant over a sustained period.

PE and Sports Premium 2020-21

PE and Sport Premium Key Outcome Indicator	School Focus/planned Impact on pupils	Actions to Achieve	Planned Funding	Actual Funding	Evidence	Actual impact following review	Sustainability/ next steps
