

Dear Parent/Carer,

Re: School-aged Flu Immunisation – Haringey 2025

The Haringey School Vaccination Team will be visiting your child's school during **Autumn/Winter 2025** to offer the nasal flu vaccine (with an option for a porcine-free injection) to Reception – Year 11 students (up to Y14 in SEND schools).

Please complete the **online e-consent form** to indicate whether you wish your child to receive the flu vaccination **or not**. This can be done by clicking the link below:

👉 <https://ncl.schoolvaccination.uk/flu/2025/haringey>

Even if you **do not wish for your child to have the vaccine**, please complete the form as a **decline**, so we can update your child's health record accordingly.

For further information, please refer to the **attached e-consent letter**. If you have any questions, contact us at haringey@v-uk.co.uk
