27<sup>th</sup> March 2024

Dear Parents/Carers,

## When I Grow Up Day

We are thinking about the future and WE NEED YOUR HELP!

Are you a builder, brain surgeon, social worker, musician, hairdresser, lawyer, designer, nurse, volunteer, IT developer or a lion tamer?! Do you own your own business, do you volunteer, what special skill do you have? Whatever you do, we want to hear from you! Again this year, we are also welcoming ex-St Mary's pupils who may even be completing their studies.

On **Tuesday 21<sup>st</sup> May 2024**, children at St Mary's will be participating in the sixth annual 'When I Grow Up' Careers Day at school which supports our PSHE unit 'Dreams And Goals'. We are looking for a variety of people interested in spending a couple of hours in different year groups talking to our children about their job roles.

The event will begin at 9.30am and should be finished by 12pm.

Many of our children are still unaware of the career and job opportunities available to them and this is an excellent way to provide them with first-hand knowledge of potential career paths. We want them to start thinking about what they might want to be when they grow up by giving them interesting and fun facts about a wide range of careers. This is also a great way for you to get involved at St Mary's and make an impact on the children's future.

If you are able to offer your time please email [swalker@stmarysn8.co.uk](mailto:swalker@stmarysn8.co.uk) to register your help by **Friday 19<sup>th</sup> April** and let us know which field you work, study or volunteer in. We're hoping for even more volunteers than previous years so are looking forward to hearing from you.

Gemma Simmons

PSHE/RSHE Subject Lead
