Summer 2022 – Play, Learn, Enjoy

Summer 2022 – Play, Learn, Enjoy

This is the fifth year of our incredible summer activities holiday programme allowing children and young people to get active, socialise and connect. Never has this been more important. The last two years has had a major impact on our young people and being able to get out and get active this summer is crucial in supporting and promoting their physical and mental health as well as overall wellbeing. With a packed programme of events across our leisure venues and parks, from music, drama and wildlife surveys to martial arts, basketball, football, boxing, gymnastics, swimming and much more, with inclusive disabled sessions, there is something for everyone. Not only that, but a huge number of activities are free.

To make this happen, the Council has supported and is teaming up with a range of local providers this year to host an extra special Summer Holiday Programme. A fantastic and diverse range of outdoor activities will be taking place in our splendid parks, running alongside our exciting People Need Parks initiative. The hugely popular £1.00 swim is back at Haringey Leisure Centres, with free football and basketball being delivered throughout the holidays.

With a second year of additional activities provided through the Government's Holiday Activity and Food programme (HAF) this should prove to be our biggest

and most inclusive summer programmes so far. Thankfully Haringey will have enough to offer this summer to ensure our children and young people can enjoy and thrive.

This year's highlights also include week-long sports camps and many hands-on activities such as forest schools, and wildlife surveys; high-energy activities including boxing, dance, and swimming; creative sessions, and lots of other things to keep mind and body active.

You will find all the details in this guide, including times, dates, and locations, as well as information on how to book where necessary, and whether any fee applies. Additional events and activities can also be found online at www.haringey.gov.uk/holiday-fun. Have a great summer, and don't forget to share your highlights with us on social media using #IAmHaringey.
