

## History

### Migration story of London

How has migration changed London?  
Reasons for migration  
Understand causation  
Windrush Study  
Experiences of people moving to London

## Geography

### Polar Climate

Arctic and Antarctica  
exploring longitude, latitude,  
using coordinates  
How ecosystems have adapted to climate change

## Science

Electricity: Using recognised circuit symbols and investigating variation in how components function  
Evolution and inheritance: Identify adaptations in plants and animals and ways that adaptation may lead to evolution; recognising that living things have changed over time

## French

Famous French Speaker project

In the Town  
(buildings, businesses, directions)

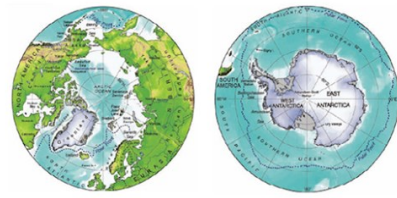

## ICT

E-Safety – Gender stereotypes  
E-Safety—You Won't Believe This—  
Clickbait & Fake News  
Coding - Sequencing, loops, events and variables

# YEAR 6 Spring 2023

## Mathematics

Fractions - multiplying and dividing; finding fractions of an amount  
Decimals - understanding place value of decimals  
Percentages - finding a percentage of an amount  
Fraction, decimal, percentage equivalence
