

Philip Alexander Board Challenge Message from the PSA

Greetings dear St Mary's pupils, parents and carers,

Our lovely Summer Fair is coming on the 1st of July. It is always such a wonderful community event, where we all can have lots of fun. This year, we have a challenge from our great sponsor, Philip Alexander Estate Agents. They will donate a generous amount to the school for each board promoting the Summer Fair event. To support this, you would agree to have a board installed outside your home. You can register your interest by going to the following website:

<https://bookwhen.com/stmarysn8>

Please note:

- Philip Alexander will take care of installing it with no damage to your property and take it down after the event has passed
- You should be contacted before the installation date to agree time and location for the board
- The boards will be up for around 4 weeks before the event and removed approximately 2 weeks after
- We require you to consent to give your location address, phone number and email address so you can be contacted with the installation details at a time convenient time for you.
