Headteacher: Mrs. Fran Hargrove

7th June 2023

Dear Parents and Carers,

As a UNICEF Rights Respecting School, we are pleased to be taking part in this year's UNICEF Soccer Aid Schools Challenge, in which schools all over the country will be getting active to raise funds for UNICEF.

During the week beginning June 19th, children will be designing and completing obstacle courses during their PE lessons with Mr Oakley.

To contribute to UNICEF's fundraiser, we are asking for a donation of £1 on Monday 19th June.

Here are some of the reasons our Rights Respecting Ambassadors gave for wanting to raise money for UNICEF:

"UNICEF need money so they can support children who don't have all their rights" – Bradley

"UNICEF use money to give food and education to children who don't have enough because they have the right to live their lives well" – Preston

"Children have the right to learn, but some children can't go to school because of the war so we are trying to help by raising money for them" – Zaneta

Please help us support this special event by bringing in £1.00 on Monday 19th June.

Best wishes,

Morag Abernethy
UNICEF Rights Respecting School Lead
