We are planning the best three days. Our Achieve Arts Easter Masterclasses are open to all, from 7 years upwards, not just to Achieve students, so please do spread the word!!

Bookings are now open at www.achievearts.co.uk and we are limiting spaces so please do book asap if you wish for your child to attend. Our masterclasses get booked up very quickly so if your child would like to attend, please do book early to avoid disappointment.

**Please note, all our guest tutors are current performers. Should they be offered a long running show contract or are called into rehearsals on our masterclass dates, the Achieve Arts team will provide another guest tutor who has also been in the show and that will deliver the very same experience.*
