Reading each evening is one of the most important things that you can do - please make sure that you are reading an interesting and suitably challenging book each evening. The school has a wide range of books so please ask your teacher if you would like help choosing a book to take home.

Times tables

Practise your times tables - you should know all of them but if you don't, focus on one set at a time and remember to spend ten minutes or so each evening working on them. Get someone to test you! Use Hit [The Button](#) or Times Table Rockstars.

Maths

Carrying on from our work on multiples and factors this week, please complete the two tasks.
Match the Multiples - For example 14 is a multiple of 1, 2 and 7.
True or False Banners - Tick the true statements and X the incorrect statements.
