

HandsOn  
London

## Wrap Up London

Help us at St Mary's collect pre-loved warm coats to be shared directly with frontline charities, supporting people through the harshest of cold conditions this winter.

**Collections will run from 18th of November to 22nd November**

Coats can be dropped off by the Lost Property area in the playground at **Rectory Gardens** from 8.30am-8.40am and before and after school in Ducklings & Goslings class at **Church Lane**.

**\*\*Please note that we will only be collecting  
adult and child coats\*\***

Now entering its 14th year, WrapUp London has become one of the largest winter volunteering events in the city and illustrates just what can be achieved when people come together as a community to help those most in need.

Thank you in advance for your support.

Mr Jenkins – Emerald Class Teacher
