

Tottenham Flower and Produce Festival | Haringey Council

(title is link to event)

13TH September

Come along and enjoy the event and consider coming along by bike.

Haringey Cycling Campaign will help you get to the park safely and then you can join in the exciting:

Haringey Big Secret Safari Cycle Ride

Event dates>

Join our Big Secret Safari Ride on Saturday 13 September – a family-friendly marshalled community ride from Lordship Rec café, exploring Haringey's fantastic animal murals.

We will travel on quiet local roads where we'll spot the varied animals in their Haringey habitats. This includes artworks of red pandas, polar bears and exotic birds by local artists including James Traffon.

Children are welcome!

The ride is suitable for accompanied children who can pedal and control their bikes, as well as younger ones in child seats.

Prizes will be handed out for the quickest shout-out identifying animals correctly.

If you want to join the ride from other parts of Haringey, you can register online to meet our marshals at the following locations and times.

[See the LCC website for more info and to register for free!External link](#)
