NOTE: *St Mary's half term break begins after school on Friday 31st October and as such, we will not be able to assist with applications, should you need our assistance, beyond this time.*

Applying for a school place

Deciding which school place you would like to apply for

1. Consider how likely it is that your child will be offered a place at your preferred schools.

Read the admissions criteria for each school and look to see which criteria apply to your child. See the **Admissions Criteria** for Haringey community schools.

2. Look to see how many places each school has available. This is called the Published Admission Number (PAN).

The admission number for each school is listed under each school's entry in **Haringey Schools A - Z**

3. Please use Haringey's online **Distance Calculator** to find your home to school distance measurement.

If you are a Haringey resident then you can use the online tool to find out your home to school distance. Please note that this tool will only work for Haringey schools.

If you are applying to schools outside Haringey you will need to contact the borough where the school is located for your home to school distance measurement.

If you live outside Haringey and you would like to find out your home to school distance measurement for a Haringey school then please email your distance request to schooladmissionscs@haringey.gov.uk

See how the **Oversubscription Criteria** was applied last year, including the distance of the last child offered a place at a particular Haringey School.

Please remember that although this information can be used to give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school.

4. Visit schools.

Please contact each school directly to arrange a visit.

5. Read Ofsted reports.

You can view reports at www.ofsted.gov.uk

6. Consider how your child will travel to school

There is an expectation that children should be able to travel independently, and safe travel should be considered. Parents are encouraged to discuss the route to school with their children and practise this before school starts.

Do: Talk to your child about the decision

Don't: Let others influence your decision – the right school for your friend's child may not be the right school for your child.

Applying for a school place

Key information to consider

- We recommend that you list six schools on your application form. This will maximise the possibility of your child being offered a school you would like them to go to.
- The schools can be in Haringey or elsewhere.
- Please list the schools in the order you most prefer them.
- Please do not list any private fee-paying schools on the form.
- You must check if any of the schools you are applying for require a Supplementary Information Form (SIF) to be completed. We have clearly shown in the **Haringey Schools A - Z** of this booklet which Haringey schools have a SIF. You will need to ask the school for the SIF.

Applying for a school place

Also, step by step laid out in the booklet.

Note – please accept and appeal at the same time.

Summary of application process

Application received

Criteria applied to each preference

Places are offered up to the Admissions Number at each school

Highest possible preference offered to each child

What happens if my child is not offered one of my preferred schools?

Sometimes we cannot offer any school listed because in every case other applicants met the admissions criteria better than your child did. For example, other applicants lived closer to the school.

If this happens we will offer a place at the nearest school with an available place. With the governors' agreement, it may be possible to allocate places at academies, foundation, voluntary aided and free schools, if there are any available.

Table A

Preference	List preferences	Does my child qualify for this school?	Which school is offered
1	School A	✗	
2	School B	✓	✓
3	School C	✗	
4	School D	✓	
5	School E	✗	
6	School F	✗	

The place at school D would be offered to the next child who best meets the admissions criteria.

The results of your application

Online applicants will NOT receive an offer letter on 2 March 2026. You will receive an email notification and you will be directed to our website to view your letter. Waiting list information and the information on your right of appeal set out below will be included in this email.

Date	What will happen?
2 March 2026	Applicants will receive notification of their offer in an email.
16 March 2026	Acceptance Deadline – applicants should accept their offer online

Accepting the offer

Please accept your offer online by 16 March 2026. If you do not accept your offer, you will be asked what arrangements you are making for your child's education in September. Please email schooladmissions@haringey.gov.uk with any further questions regarding your offer.

Remember that the offer you receive will be either:

1. The highest preference school your child qualified for (offer)
2. The nearest school with an available place (allocation)

Accepting the offer will not influence your waiting list position or appeal outcome.

Please note we will not give out any offer information over the phone.

You must contact your home Local Authority to accept or refuse a school place. Please do not only respond directly to schools.

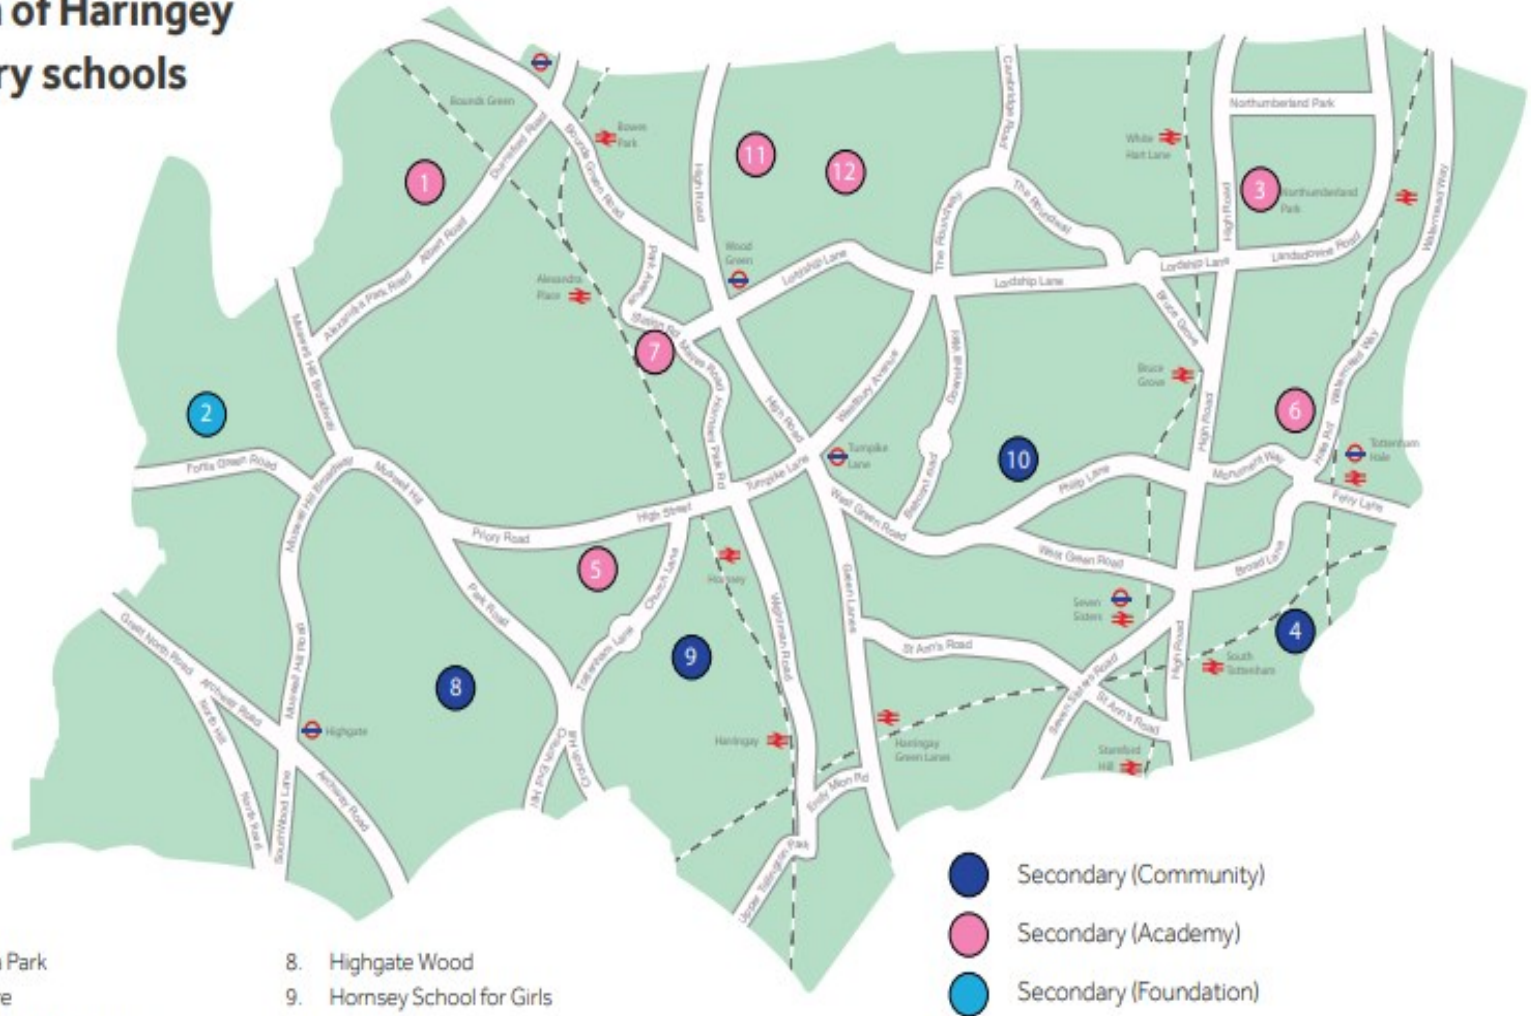

Waiting lists

If we cannot offer you your first preference school, your child's name will automatically be added to the waiting list for any schools on your form listed higher than the school you have been offered.

Waiting lists are ordered strictly in accordance with the school's admissions criteria.

Waiting list positions can change at any time depending on other applicants' circumstances and it is important to note that your child's position may go down as well as up if other applicants join the waiting list.
