

Help Keep Someone Warm This Winter

St Mary's is supporting Wrap Up London by collecting pre-loved coats to be shared with frontline charities supporting people facing the harshest winter conditions.

When: **Thursday 5th November**

Time: **8.20am–8.35am**

Where: **Inside the Main Gate, by the office entrance**

Your donations will help support people in need, including women living in sheltered accommodation, people sleeping rough and children living in poverty.

Please note: We can only accept adult and children's coats.

Every coat can make a difference. Thank you for helping us spread warmth and kindness in our community!

Mr Jenkins
