What is Child Protection about?

All of the adults around you think that your health, safety and welfare are very important.
In our school, we respect all children and help to protect your rights.
We do our best to help children make good educational progress.
We want to teach you how to recognise risks in different situations, and how to protect yourselves and stay safe.

How do we protect you at St Mary's CE Primary School?

We provide a safe environment for you to learn.
We are a school where everyone has the right to feel **SAFE**; the right to **LEARN** without undue distraction or disruption and the right to **RESPECT**.

We want to help ensure that you remain safe at home as well as at school.
We think it is important for you to know where to get help if you are worried or unhappy about something.

Need to talk?

You can talk to any adult in school if you need to, especially those on your helping hand but Mr Beardwell, Mrs Butcher, Ms Bellini, Ms Gordon and Mrs Walker are ALWAYS there for you – just tell them what is worrying you.

If you don't think you can speak to an adult in school, leave a note in your class worry box.
You can also phone ChildLine who will listen to you and give you help and advice.
