St Mary's CE Primary School, N8

Harriet Frohock	
Category of Governor	Staff Governor

I am married and have two grown up children. Before I entered the world of education, I worked in personnel. I have lived in Haringey for over forty-five years and am invested in this community.

I have worked at St Mary's for many years, first as a teaching assistant and since 2010 as a teacher. During this time, I have worked with four head teachers, have become phase leader, lead practitioner, English lead and Haringey writing moderator and have mentored many students and newly qualified teachers. I have seen many changes over this time; it has been an exciting, and at times, challenging journey. My love of St Mary's and our strong multi-cultural community has always filled me with positivity and ambition for the future. I joined the governing body in 2020 and am now in my second term.

I am passionate about teaching and about the education, welfare and protection of children and young people. It is an honour to be part of the St Mary's team, ensuring that we always have the highest expectations of ourselves and for our children. I believe that each child must be given every opportunity to grow and flourish into individuals who know they are important and valued: in our community, in society and as global citizens in our ever-changing world.

Dr Angela Ioanna Loulopoulou	
Category of Governor	Foundation Deanery Synod Governor Vice Chair of Governors
Governor Links	Link governor: Well-being; Equity, Diversity and Inclusion

Angela has lived in Hornsey for 20 years. While her daughter attended St Mary's CofE for her primary education, Angela was an active member of the PSA and class representative for her daughter's class. Angela was voted Parent Governor in Spring 2020 and after her tenure ended in 2024, she has continued being on the governing body as a Foundation Governor. Angela is a counselling psychologist, with many years' experience in the field of mental health, both as clinician and academic. As a Governor for St Mary's, she has a particular interest in pupil and staff psychological well-being, as well as the equity, diversity and inclusion (EDI) framework of the school. She was the Chair of the Families and Community Committee of the governing body for the past 4 years.

Javi Punzano	
Category of Governor	Foundation PCC, St. Mary's Governor
Governor Links	Link governor: Health and Safety

An extroverted person by nature, I love cooking and hosting dinner parties. I am interested in technology; it is amazing how technology enables us to always do more. In the end, tools built thanks to imagination and hard work have propelled humankind since the stone ages. So, I'm really looking forward to seeing what the future brings. Would it be like Asimov's or Herbert's stories? Of course, I read lots of science fiction.

I became a governor because I care for the school and its community. St Mary's have a great community vibe, diverse and inclusive. So, it is wonderful to be able to contribute towards it. As *Liz Fosslien and Mollie West Duffy once said,* "Diversity is having a seat at the table, inclusion is having a voice, and belonging is having that voice be heard*"*

Dr Venetia Brown	
Category of Governor	Foundation LDBS Governor Chair of Governors
Governor Links and Committees	Link governor: Safeguarding; SEND

I recently retired from my role as Associate Professor/Director of Programmes, specialising in healthcare education and training at a local University. I live locally and both my children attended St Mary's. I enjoy Pilates; gym training; walking; singing (local choir member) and the theatre.

I became a governor and a Trustee because I am firmly committed to working with educational institutions to offer a high quality and rich educational experience for all whether this is at primary, secondary or post 16 level. I wholeheartedly believe that education should enable *all* pupils to flourish and as such one of my key priorities is supporting EDI within the school environment.

I regularly sit on HR, grievance, disciplinary and exclusion panels in schools across the borough as an independent governor. I am also a co-opted Trustee on the The Grieg Trust.

Eileen Clark	
Category of Governor	Associate Governor
Governor Links and Committees	Link governor: RE

I am a UK-qualified solicitor working in-house for an investment bank and serve as an LDBS Foundation Governor at St Mary's. I am married to Lee, a vicar, and we have two children at the school, with our eldest joining in 2020. I am committed to supporting the school's Christian ethos and helping every child to thrive academically, socially, and spiritually, drawing on my professional experience in governance, compliance, and strategic decision-making.
